EVIDENCE COLLECTION GUIDELINES

- **DIALOGUE EVIDENCE:** Record exact quotes of spoken words that reveal internal motivation, belief shifts, or conflict.
- **ACTION EVIDENCE:** Note physical decisions, reactions, or behaviors that demonstrate a change in the character's mindset.
- **CITATIONS:** Include standard MLA parenthetical citations (Author/Page or Chapter) for all textual proof.

Arc Stage / Progress	Dialogue Evidence (Direct Quote & Citation)	Action / Behavior Evidence (Direct Quote & Citation)	Analysis of Shift (What does this reveal?)
1. Baseline / Beginning <i>Initial traits, mindset, or status quo before catalyst.</i>			
2. Inciting Catalyst <i>First challenge or event forcing a choice or reaction.</i>			
3. Midpoint Shift <i>Growing internal conflict or changing perspective.</i>			
4. Climax / Turning Point <i>Ultimate test of character's transformed values.</i>
